To All Members/Units

Dear Comrades,

11th Conference: 21st December 2025 **State Bank of India Employees' Union - Lucknow Circle** **Revolutionary Greetings...**

It gives us immense pleasure and a deep sense of pride to convey our warm and fraternal greetings to all delegates, observers, and comrades on the occasion of the 11th Conference of our affiliate, the State Bank of India Employees' Union, Lucknow Circle, to be held on **21st December 2025 at Lucknow**. This Conference is not merely an organisational event; for AISBIEA, it marks a historic milestone in the onward march of our movement.

The post-merger period in the Lucknow Circle was marked by serious challenges, particularly the unjust denial of the legitimate **check-off facility**, aimed at weakening our collective strength. However, our comrades rose with exemplary unity, determination, and an indomitable fighting spirit. Through sustained struggle and principled perseverance, this fundamental trade union right was successfully restored in **June 2024**, reaffirming the power of organised collective action.

In this connection, we place on record our sincere appreciation for the invaluable guidance and legal support extended by the **Chandigarh Circle Union**, which stands as a shining example of inter-circle solidarity and the strength of our all-India organisation.

It is a matter of great pride that within one year of securing the check-off facility, the Lucknow Circle has consolidated the organisation and moved confidently towards holding this Conference. Intensive branch visits, membership campaigns, and organisational meetings across the Circle have strengthened the grassroots, expanded membership, and infused renewed confidence among the rank and file.

More than 200 delegates from across the state are expected to participate in this democratic forum, comprising an Inaugural Session, Public Session, and Delegate Session. The Conference will be inaugurated by **Comrade S. K. Sangtani, President**,

UPBEU, and will be graced by leaders of **AISBIEA** and General Secretaries of various Circle Unions, who will convey their solidarity greetings.

At a time when bank employees face increased work pressure, erosion of service conditions, and challenges to collective bargaining, this Conference assumes added significance. We anticipate the deliberations will strengthen our resolve to safeguard the rights, dignity, and interests of bank employees and to carry forward the tradition of militant yet responsible trade unionism.

We are confident that the 11th Conference of the SBI Employees' Union, Lucknow Circle, will be a grand success. We extend our best wishes to the Reception Committee, Conference Committee, and all comrades whose tireless efforts have made this event possible.
